

SWING GATE ACCESSORIES

heavy duty
flange bearing hinge assembly
for heavy wrought iron gates

**sealed ball
bearings**

torsion rods
counter balance uphill gates

FLANGE BEARING HINGE ASSEMBLIES

- Designed for high traffic swing gate applicaitons
- 3000 Lb (1360 Kg) weight capacity per pair
- Zert grease fitting
- Includes mounting hardware and brackets
- For use with 2" gate frame

SEALED BEARING HINGE ASSEMBLIES

- Standard and Heavy-duty
- 2000 Lb (907 Kg) and 3000 Lb (1360 Kg) weight capacity per pair
- Includes mounting hardware and brackets

TORSION ROD ASSEMBLY

- Counter-balances uphill swing gates
- Up to 6 torsion rods can be used for heavier gates

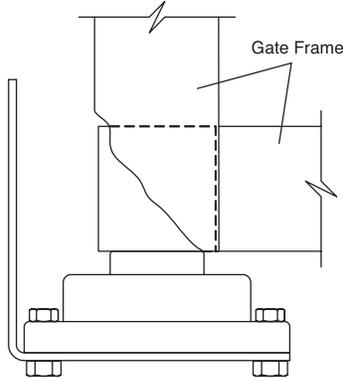

FEATURES

ACCESS CONTROL **SOLUTIONS**

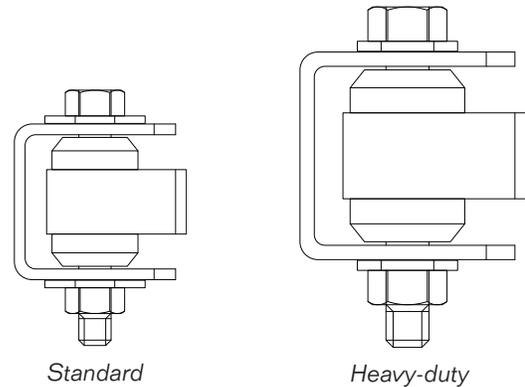

The DKS flange bearing hinge is designed for heavy wrought iron swing gates with 2 inch square framing. The sealed bearing assemblies can be mounted to round or square gate frames. These heavy-duty hinge assemblies include mounting brackets and hardware and provide easy gate movement – an important factor when the gate is to be automated. For un-level swing gates, the torsion rod assembly provides a counter-balance to prevent gate runaway and relieves pressure on the gate operator.

Flange Bearing Hinge Assembly

Sealed Bearing Hinge Assembly

Flange Bearing

Features

- weight capacity per pair is 3000 Lbs
- zert grease fitting
- includes mounting bracket and hardware
- two required per gate (top, bottom)
- designed for use with 2" gate frame
- smooth and quiet operation

Shipping Weight

10 lbs

Warranty

2 year limited warranty

Sealed Bearings

Features

- standard hinge weight capacity is 2000 Lbs
- heavy-duty hinge weight capacity is 3000 Lbs
- includes mounting bracket and hardware
- two required per gate (top, bottom)
- designed for use with round or square gate frames
- smooth and quiet operation

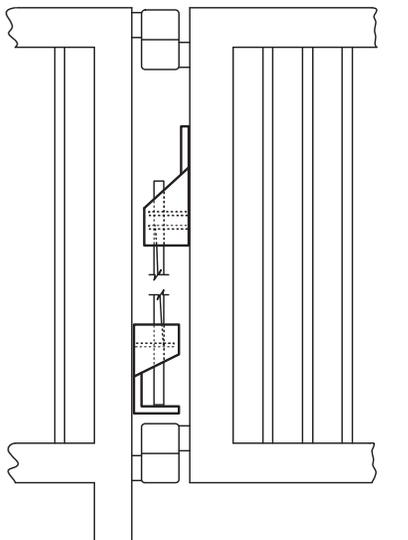

Shipping Weight

standard hinge 10 lbs
heavy-duty hinge 10 lbs

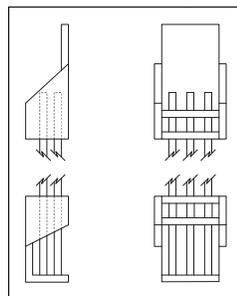

Warranty

2 year limited warranty

Torsion Rod

up to six torsion rods can be used for heavier gates

Features

- counter-balances uphill swing gates
- includes top bracket, bottom bracket and one torsion rod
- up to five additional torsion rods can be added to the brackets

Shipping Weight

10 lbs

Warranty

1 year limited warranty
